Github	https://github.com/ashiqur12345 https://github.com/theashiq
Interests	Travelling, Gaming, Reading books, Internet browsing.

LANGUAGES COMPETENCY

Mother Language	Bengali
Foreign Language	Good proficiency in English

PROJECTS / THESIS

Software Projects

Throughout my professional life I've contributed to a lot of projects that are live either on Google Play Store or Apple App Store. As these projects are intellectual properties of an organization I don't have the liberty to mention them here. But my personal projects can be found on my [Github](#) page.
